WHO CAN ENROLL?

It is the policy of the West Kern Community College District that unless specifically exempted by statute, every course, course section, or class which is to be reported for state aid, wherever offered and maintained by the district, shall be fully open to enrollment and participation by any person who has a high school diploma, a General Education Development (GED) certificate, or a high school certificate of proficiency, or any person 18 years of age or older, or any home schooled and/or K-12 student who has a signed special admit form from their high school.

HOW TO APPLY

Continuing Students do not need to reapply. In order to be considered a continuing student for Spring 2025 you need to have been enrolled at Taft College during the Fall 2024 semester. If you were not enrolled at Taft College during the Fall 2024 semester, you must reapply at: <https://www.taftcollege.edu/admissions/apply/> and click on 'Apply Here.' All new students must apply through the website.

ORIENTATION AND COUNSELING

The online orientation is designed to help you familiarize yourself with the tools you need to succeed and to help facilitate your transition and integration into the college learning environment. By participating in the orientation, you will become more familiar with the academic and support resources that are available to you to help you succeed. The orientation can be found by clicking here: [Taft College Online Orientation](#)

All students who plan to earn a degree or certificate, transfer to a four-year institution, or take math or English courses at Taft College must contact the Counseling Center for assistance. This is especially important for new students coming from high school who may need help with choosing English and math courses, as well as other classes.

If you are a new student, call to schedule an appointment with a counselor at 661-763-7748 and bring your high school transcripts to be recommended for the appropriate courses.

WHEN CAN I REGISTER?

Registration dates and times for each student will be automatically assigned approximately two weeks before registration. Computed registration dates and times will be based upon variables associated with point values, and then will sort by student ID number. Students can view their registration date and time via MyTC. No priority group or student will be assigned a registration date or time in which the college is closed (i.e. after 4:00pm or on weekends). The dates listed below are the starting dates for the specific group. Please refer to your MyTC portal account for your date and time.

- **Priority 1:** CalWORKS, EOPS, DSPS, Foster Youth, Student Parents, and Veterans. Students must be matriculated and in good standing with less than 100 degree applicable units.
- **Priority 2:** ASO Officers, Athletes, PTK, Taft College Faculty Dependents, Taft College Staff, and continuing/new fully matriculated students in good standing with less than 100 degree applicable units.
- **Priority 3:** Returning, continuing students with academic difficulty (continued progress probation and/or continued academic probation), continuing/new non-matriculated students, students with over 100 units, and high school students.

Loss of Enrollment Priority due to Academic Standing:

Students on academic or progress probation for a second consecutive term will lose their enrollment priority. Students on continued probation who earn a 2.0 GPA or higher in the most recent term, and/or pass 50% or more of their classes in the most recent term, are exempt from the mandatory petition process used for dismissed students and will maintain their enrollment priority.

In addition, academically reinstated students who earn a 2.0 GPA or higher in the most recent term are exempt from the mandatory petition process for dismissed students and will maintain their enrollment priority.

Loss of the California College Promise Grant due to Academic Standing:

Students on academic or progress probation (or a combination of the two) for a second consecutive term will lose their California College Promise Grant. Students have options to appeal the loss of the California College Promise Grant by filling out the Loss of Enrollment Priority and/or the California College Promise Grant Appeal form. That form can be found on our [website](#). If approved, they may have their California College Promise Grant reinstated.

Loss of Enrollment Priority Due to 100 Unit Limit:

Students who have earned 100 or more Taft College degree applicable units will lose their enrollment priority. Students wishing to appeal their loss of enrollment priority due to too many units can fill out a loss of enrollment priority [appeal](#) and complete a comprehensive student education plan showing the additional units are needed. If approved, they may have their enrollment priority reinstated.

Online Registration: To use the web registration process for all new, continuing, returning and/or personal enrichment students, please click [HERE](#) visit your MyTC portal.

ADDING AND DROPPING CLASSES

Please visit the [Add and Drop Classes Webpage](#).

Adding a Class

You may add any open class online until the first day of class without an Add Authorization Code. Once the class begins you can enroll through the “Last Date to Enroll (With an Add Authorization code)” deadline date. To add an open class prior to the “Last Date to Enroll (You must be assigned an Add Authorization code from the instructor)” deadline, once assigned you may register during the web registration process.

Waitlist

If a class is full prior to the start of the class, you may attempt to join the waitlist by following the normal online registration process, and selecting “Waitlist” when your initial registration fails due to full capacity. The “Waitlist” process ends the day prior to class.

Adding a Class after the Class Has Begun

Once a particular class begins, you are required to have an Add Authorization Code in order to add that particular class. If you have been assigned an Add Authorization Code from your instructor, you may register online through the “Last Date to Enroll (Add Authorization Code Required)” deadline date. Add Authorization Codes may only be assigned by the class instructor. Once assigned, you may register for the course.

Dropping a Class and Withdrawing From a Class

To drop a class or withdraw from a class any time prior to the appropriate deadlines during the semester, you can use the Web Registration Process. Dropping a course is a student’s responsibility. **DO NOT** rely on your instructor to drop you for non-attendance. If your instructor drops you for non-attendance you will incur the enrollment fees. **DO NOT** assume that your failure to pay for the class has resulted in the class being dropped from your record. (Nonpayment drops are date-specific and do not occur during certain times of the semester.)

Title 5: Course Repetition and Withdrawal

Students will only be allowed to enroll in a course three times if they received a substandard grade (D, F, FW, NP, or NC) or withdrew from the class with a “W.” Students with extenuating circumstances may seek approval to enroll in a course for the fourth time through the petition process. These changes do not contain a grandfather clause, so any student who has already taken a course the maximum number of times will no longer be able to take the same class at Taft College.

Questions? Please contact the Counseling Center at 661-763-7748.

What happens if I drop or withdraw from a course?

If you DROP a course before the Refund date, you will not receive a grade or withdrawal "W" on your academic transcript.

Dropping a course after the refund drop deadline is considered a WITHDRAWAL "W". If you withdraw from a course after the Refund Date, you will receive a grade of "W" for the course. The "W" grade will not be used in calculating grade point averages, but excessive "W"s will be used as factors in probation and dismissal procedures.

Withdrawing from a class may also affect your financial aid status. Before withdrawing from the class, be sure to speak to someone in Financial Aid by calling 661-763-7762.

Withdrawing from a class will affect your veteran's benefits. Be sure to consult with your VA Counselor who can adjust your schedule with the VA. Not doing so can result in you having to pay back over-payments. Further information is available: <http://www.taftcollege.edu/admissions/veterans/>

You cannot withdraw from a class after the final deadline for dropping with a "W." You will earn a grade for the course.

However, if you have verifiable extenuating circumstances such as a major illness, you may petition for an Excused Withdrawal. See your advisor or counselor for more details. Petition and instructions are available: <http://www.taftcollege.edu/admissions/>

Occasionally students may be required to purchase materials to supplement specific courses, i.e., workbooks, folders, etc. The materials may be purchased through the Taft College Bookstore in person or via the web at the [Bookstore](#).

PAYMENT DURING PRE-REGISTRATION

Students pre-registering must pay their fees or request a payment plan at the Cashiers desk by 4:00pm on the due date specified below:

Spring 2025 due date – December 11, 2024

Fees incurred after December 11, 2024 are due each Wednesday by 4pm or courses may be dropped.

FAILURE TO PAY BY THE DEADLINE MAY RESULT IN THE STUDENT BEING DROPPED FROM ALL CLASSES. HOWEVER, IT IS ULTIMATELY THE STUDENT'S RESPONSIBILITY TO DROP ANY CLASSES THAT THEY DO NOT PLAN ON ATTENDING. FAILURE TO DROP CLASSES COULD RESULT IN THE STUDENT HAVING TO PAY FOR THE CLASSES AND RECEIVING AN "F."

ENROLLMENT FEE REFUND POLICY

Students are responsible for dropping the classes they no longer wish to attend. To be eligible for a refund of enrollment fees, a dropped class must have been dropped on or prior to the refund deadline for that particular class by the student. Full-term classes will always have a fixed refund deadline published in the Schedule of Classes each semester. The refund deadline for any non-standard, part-of-term class is calculated at 10% of the class meeting days scheduled between the start and end dates for that particular class.

TEXTBOOK RENTAL PROGRAM

Taft College is unique in that many textbooks are available to students on a rental basis. Participation in the textbook rental program is only a fraction of the cost of purchasing your textbooks. Students will save, on average, 70% off the new book price. In order to participate in the rental program, students must have a current copy of their class schedule, member of the Associated Student Organization (ASO sticker) and their Taft College Student ID Card.

Students may purchase an ASO Sticker from the Bookstore, Cashier's Office or from the bookstore website (bookstore.taftcollege.edu). The ASO sticker is available for \$30.00 per academic year, July 1st - June 30th. Students purchasing an ASO sticker after April 1st will be given a \$15 discount in order to participate in the textbook rental program during the summer term only.

Checkout Procedure for Rental Textbooks

Rental textbooks may be checked out approximately three weeks prior to the beginning of each new semester depending on availability. Students must purchase an ASO Sticker to participate in the rental program. Students must bring their class schedule to the Bookstore to rent applicable books. Remote or off-campus students may order all textbooks (rental and supplemental) on-line and have them shipped via UPS Ground for a fee determined by package weight and address of delivery.

Return Procedure for Rental Textbooks

Students who drop a class should immediately return rental textbooks to the Bookstore. All rental textbooks must be returned by the end of each semester to avoid being charged a late fee of \$10.00 per book late fee. To avoid being charged full replacement cost, all rental books must be returned to the Bookstore no later than 10 business days after the end of the current semester. All rental books unreturned after 10 business days will become the property of the student and the student becomes responsible for the full replacement cost of the textbook. Some instructors may require proof of textbook return before final exam can be taken.

Bookstore Return Policy

A full refund will be given in your original form of payment if textbooks are returned during the first seven (7) business days of the semester with receipt. All summer and short-term session textbooks may be returned during the first three (3) business days of the session with receipt. All textbook sales are final after these dates. Please make sure you have the correct textbooks and course materials by checking with your professor on the first day of class.

Textbooks being returned for a refund or exchange must be in the original condition in which they were purchased. Textbooks containing any markings or damage will be credited at 70% of the new book price. All access codes or e-books that have been opened or activated are not returnable. Please check with your professor before you purchase these items.

Clothing, emblematic merchandise, trade books, electronics, and art supplies can be returned fourteen (14) business days after purchase with receipt. Clearance items are not returnable. Incorrect or defective books and course materials may be returned to the bookstore within the refund period with your receipt for an exchange.

All credit card refunds require the original charge card used at the time of purchase.

Check refunds will be made by mail in approximately ten (10) to fourteen (14) business days after the date of the return.

*****The bookstore manager reserves the right to make the decision on the condition or saleability on all merchandise.*****

Matriculation Policy

Student Equity and Access Program (SEAP) is a comprehensive student success program involving the entire campus community. SEAP is a process that enhances student access to the California Community colleges and promotes and sustains the efforts of credit students to be successful in their educational endeavors. The goals of SEAP are to ensure that all students complete their college courses, persist to the next academic term, and achieve their educational objectives through the assistance of the student-direct components of the matriculation process. It is Taft College's way of supporting the student's right to succeed in college. Taft College recognizes that student success is the responsibility of the institution and the student, supported by well-coordinated and evidence based student and instructional services to foster academic success.

SEAP is a partnership/agreement between students and Taft College. The agreement includes the provision of core matriculation services, including an admission process, college orientation, pre-enrollment assessment and placement, advisement and counseling for course selection, educational planning services, a suitable program of study, and follow-up on student progress. The student agrees to express a broad education goal at entrance, declare a course of study within a reasonable period of enrollment, attend class and complete coursework diligently, and maintain progress toward an education goal.

Student's responsibilities include:

- Identify an education and career goal upon application.
- Complete an orientation activity provided by the college.
- Determine appropriate course placement.
- Participate in counseling, advising, or another education planning service to develop, at minimum an abbreviated student education plan.
- Declare a specific course of study after completion of 15 semester units of degree applicable credit coursework.

- Complete courses and maintain progress toward an education goal and completing a course of study, according to standards established by the college, the District, and the state.
- Develop a comprehensive student educational plan by the end of the second semester in attendance.

Taft College agrees to provide a strong foundation and support for academic success, providing and mandating the services necessary for students to achieve their educational goals and complete their course of study. College responsibilities include:

- Orientation services designed to provide, on a timely basis, information concerning campus procedures, academic expectations, financial assistance, and other matters.

- Counseling, advising, or other education planning services to assist students in interpreting test results, exploring educational and career interests and aptitudes, identifying educational objectives, and in developing and updating an education plan.
- Assistance in the development of a student education plan identifying the student's education goal, course of study, and the courses, services, and programs to be used to achieve them.
- Follow-up services to evaluate the academic progress of, and provide support services to, at risk students, students enrolled in basic skills courses, who have not declared an educational goal as required, or who are on academic probation, as defined by the college, the District, and the state.
- Referral of students to: support services that may be available, including, but not limited to, counseling, financial aid, health and mental health services, campus employment placement services, Extended Opportunity Programs and Services, campus child care services, tutorial services, foster youth support services, veterans support services, and Disability Support Programs and Services; and other curriculum offerings which may be available.

Matriculation Exemption

Students who may be exempt from participating in orientation, assessment, advising, and follow-up components of the matriculation program are:

- Students who have completed 60 or more units or who have graduated from an accredited U.S. college or university with an associate degree or higher.
- Students who plan to enroll in five units or fewer and who have declared one of the following goals:
 - Advance in current career/job
 - Maintain certificates/license
 - Personal/Education development
 - Complete credits for high school diploma
 - Students who are enrolled full time at another institution (high school or college) and will be taking five units or fewer (excluding English and math courses)

Exempt students are not required to participate in the matriculation process but are encouraged to see a counselor at any time. The college will make reasonable efforts to ensure that all exempt students are provided the opportunity to participate in the matriculation process.

Students who do not meet approved matriculation exemption criteria but choose to be exempt from one or more components of the matriculation process may do so by completing a waiver available from the Counseling Center.

COURSE PREREQUISITES, CO-REQUISITES, AND RECOMMENDED PREPARATION

PREREQUISITE means this is a condition of enrollment that a student must meet in order to

demonstrate current readiness for enrollment in a course or educational program. A prerequisite represents a set of skills or a body of knowledge that a student must possess prior to enrollment and without which the student is highly unlikely to succeed in the course or program. For example, a student enrolling in general chemistry will have difficulty without adequate preparation in algebra.

CO-REQUISITE means a condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course. A co-requisite represents a set of skills or a body of knowledge that a student must acquire through concurrent enrollment in another course and without which the student is highly unlikely to succeed.

ADVISORY means recommended preparation suggested by the faculty to successfully complete a particular course. While encouraged to do so, students do not have to satisfy recommended preparation guidelines to enroll in a course.

Course prerequisites, co-requisites, or recommended preparation are specified within course descriptions in the catalog. Students must satisfy the prerequisite or co-requisite requirements for all courses in which they enroll.

Challenging a Prerequisite or Co-requisite

Students may have preparation equivalent to the stated prerequisites or co-requisites and may wish to challenge a prerequisite or co-requisite as allowed by state law. The petition for challenging a prerequisite or co-requisite is available online and in the Counseling Center. The student shall bear the initial burden of showing that grounds exist for the challenge. The following is a list of grounds under which a challenge may be pursued:

- Challenging the prerequisite on the grounds that it has not been made reasonably available.
- Challenging the prerequisite on the grounds that it was established in violation of regulation or in violation of state or District-approved processes (student documentation required).
- The prerequisite is discriminatory or applied in a discriminatory manner (student documentation required).
- Challenging the prerequisite based on acquired knowledge or ability to succeed in the course despite not meeting the prerequisite (student documentation required).

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974 (FERPA) – ANNUAL NOTIFICATION

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day Taft College receives a request for access. Students should submit to the Director of Admissions Office written requests that identify the record(s) they wish to inspect. The director will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Admissions and Records Office, the student shall be advised of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student's education records that the student believes is inaccurate. Students may ask Taft College to amend a record that they believe

is inaccurate. They should write the director, clearly identify the part of the record they want changed, and specify why it is inaccurate. If Taft College decides not to amend the record as requested by the student, the student shall be notified of the decision and advised as to his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. As allowed within FERPA guidelines, Taft College may disclose education records without consent to officials of another school, upon request, in which a student seeks or intends to enroll.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Taft College to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education 400 Maryland Avenue, SW
Washington, DC, 20202-4605

Re-authorization to withhold Directory Information must be filed annually in the Admissions and Records Office.

Taft College's Annual notification to students is consistent with its obligations under FERPA. Taft College annually notifies students and their parents of their rights accorded to them by FERPA.
