Control of Travel

• All Travel requests require the approval of the immediate supervisor, departments Vice President & Superintendent/President prior to the employee traveling.

• Any travel request outside of the United States requires Board of Trustee approval.

• Employees are expected to exercise prudent judgement when incurring travel expenses. Excess & unnecessary expense will not be approved or reimbursed.
Control of Travel

• Expenses should be paid by the employee and reimbursed by the District. Receipts are required for all reimbursable charges.

• Employees may be required to submit a trip report along with their final claimed expenses.

• Employees are personally responsible to cancel lodging, conference registration and airfare if they cannot attend. Failure to comply could result in personal liability for all non-cancelled charges.
