## What to Expect in INCO1548-30

### Course Description

This 8-week course gives you a basic introduction to doing research—you'll learn how to find information and what to do with it once you've found it. We will explore a number of different sources of information, including books, websites, periodicals and databases. Along the way we will discuss plagiarism and copyright law as well as evaluating sources for bias, factual errors and clarity. Finally, INCO1548 will teach you to cite your sources in formal MLA style.
