

Taft College Certificate Requirements
GRAPHIC DESIGN

This program is designed to prepare students for a career in Graphic Design. It is planned to develop knowledge and experience of using traditional media and computers in the graphic design field. Upon successful completion of the required and elective courses with a 2.0 (C) grade point average, a certificate of proficiency will be awarded. Certificate of proficiency recipients will be eligible for an entry level position in the public or private sector or will have the skills and knowledge to freelance.
