Early Care, Education and Family Studies (ECEF) 1531 The Child in Family/Community Relationships
(3 Units) (DS 2) CSU: UC
[formerly Early Childhood Education 1531; Early Childhood Education 6]

Advisory: Eligibility for English 1500 strongly recommended

Hours and Unit Calculations:
48 hours lecture. 96 Outside of Class Hours. (144 Total Student Learning Hours) 3 Units

Catalog Description: This course is an examination of the developing child in a societal context focusing on the interrelationship of family, school and community and emphasizes historical and socio-cultural factors. The processes of socialization and identity development will be highlighted, showing the importance of respectful, reciprocal relationships that support and empower families. C-ID: CDEV 110

Type of Class/Course: Degree Credit

Text:

Additional Required Materials: None

Course Objectives:

By the end of the course, a successful student will be able to:

1. demonstrate knowledge about the child as developing within a system and influenced by numerous factors of socialization,
2. discuss theories about the role of family, school and community in the process of socialization,
3. examine the role of family in the process of socialization,
4. compare and contrast diverse family structures, parenting styles, culture, tradition and values and their impact upon children and youth,
5. examine the impact of change and transitions upon children and family dynamics,
6. examine the role of childcare and schooling in the process of socialization,
7. explain and interpret the impact of socioeconomic factors on children and families, particularly in the area of work, childcare, single parent families, health poverty,
8. define and examine a variety of contemporary issues that influence family functioning and develop appropriate strategies to assist families experiencing stress,
9. investigate and explain the effects of age, gender, diverse abilities, language and culture, racial identity and ethnicity, socio-economic status, institutions, the media, and public policy on children and families,
10. identify stereotypes and assumptions that affect attitudes and actions within the family, the culture and the professional community,
11. identify early childhood practices that support all children and families,
12. demonstrate the ability to identify and analyze risk factors and/or problems and recommend appropriate community resources,
13. demonstrate knowledge of legal requirements and ethical responsibilities of professionals working with all children and families,
14. demonstrate ability to implement a variety of appropriate and effective communication strategies for working with diverse and special needs populations,
15. investigate advocacy strategies to influence public policy on behalf of children and families,
16. develop advocacy strategies to affect public attitude and policy,
17. explore one’s own family history and examine how it affects one’s relationships with children and families,
18. demonstrate critical thinking and college level writing skill, and
19. explain the importance of studying the child in the context of family and the community as part of vocational development.
