Hi Eric,

Thanks for the AA in English discontinuance notification. It is understood that it has been replaced by the AA-T in English. No further action is required by Taft College.

Norv

Thanks, Norv. We also sent a "Step One" document in May regarding the termination of the English AA degree. I am reattaching it here. Let me know if you need anything else. --Eric

Hi Eric,

This is not a Substantive Change. It appears that you are offering the golf classes at an off campus location. At the point that Taft College develops a Degree or Certificate in Golf and offers over 50% of the courses at the off campus location, then a Substantive Change Application would be appropriate. However at this point it is not required.

Please let me know if you have any other questions.

Norv Wellsfry

Good Morning Jack,

I sent the e-mail copied below regarding a new offsite PE golf program to the Commission back on July 25th. I haven't heard anything since then. Can you give me an update?

Thanks,

Eric Berube

Hi Norv,

Taft College has recently started a new golf program for men and women, the courses of which are offered at a nearby golf course. I am attaching our homemade "step one" PDF form for your review to determine whether a full substantive change report will be required.

As usual, please let me know if you need additional information.

Thanks,

Eric Berube

Brandy: Please post to our "Substantive Change" web page.

Hi Eric,

As discussed in SPC today, please see the attached Form 1 for Golf. When reviewing all program reviews, this was identified as a possible area where a substantive change may need to be initiated. We will be using the Buena Vista Golf Course, and this may require us to submit a substantive change based upon reason 3.3.1. Not sure how 'geographic region' is defined, but wanted to submit this for consideration.

If you need any additional information, please let me know.

Thanks,

Darcy Bogle
