September 10, 2025

Board of Trustees Members,

I am pleased to submit to you and the residents of the West Kern Community College District (WKCCD) the attached budget document outlining the Fiscal Year 2025-26 Annual Budget. This report provides a projection of Taft College's financial operations for the current fiscal year.

Taft College, along with all California Community Colleges, utilizes the state-mandated Student-Centered Funding Formula (SCFF) to calculate unrestricted general apportionment. Our FY 2025-26 unrestricted revenues have been estimated using this formula. The proposed budget assumes 0% growth in academic access and includes conservative funding projections for categorical programs such as the Student Equity and Achievement Program (SEAP), Extended Opportunity Programs and Services (EOPS), CalWORKs, and others. Additionally, programs like the Transition to Independent Living (TIL), Child Development Center (CDC), Bookstore, and Cafeteria are based on the latest revenue assumptions.

The proposed budget exceeds the State's recommended 5% minimum unrestricted general fund reserve. The projected year-end unrestricted fund balance is approximately \$15.2 million, or 40.4%. Unrestricted expenditures are proposed at \$37,615,021 against projected revenues of \$36,811,775, resulting in a planned deficit of \$803,246. The restricted fund budget is balanced at \$17,563,405, and enterprise and special funds total \$8,589,566—bringing the total proposed budget to \$60,541,233.

Statewide general fund expenditures equal approximately \$228.3 billion, including a rainy-day transfer of \$4.9 billion. These statewide expenditures also include Proposition 98 funding of \$80.7 billion for 2026. The Budget focuses investments on relief, recovery, and infrastructure. However, the ongoing costs of STRS, PERS, and OPEB obligations, as well as revenue uncertainties, continue to pose challenges for the District.

As outlined in the Executive Summary, the State of California has adopted its final FY 2025-26 budget. Revenues for Taft College will continue to rely on local, state, and federal funds, with unrestricted state allocations determined by the SCFF. Taft College remains committed to serving the Board, our students, and the broader community with fiscal responsibility and dedication.

Sincerely,

Leslie Minor, Ph.D.
Interim Superintendent/President

EXECUTIVE SUMMARY

2025-26 STATE FISCAL UPDATE AND PROPOSED BUDGET ASSUMPTIONS

California State Budget Update and Forecast:

The 2025-26 California State Budget was signed by the Governor on June 13, 2025. The statewide general fund expenditures equal approximately \$ 228.3 billion, not including a reserve. The Proposition 98 minimum guarantee is estimated to be \$80.7 billion for 2026, which is a decrease from the prior year. In addition to education, the Budget focuses investments on infrastructure and climate-related investments. Although anticipated revenues for the year are strong, the State Budget covers a \$1.6 billion deficit, which is being mitigated by other funds, such as the Rainy Day Fund (BSA) and the Public School System Stabilization Account (PSSSA). The multi-year forecast indicates a budget roughly in balance; however, risks to the economic forecast remain, including a potential stock market decline that could significantly reduce state revenues.

California Community College Budget Highlights:

- \$30.1 million Apportionment Adjustment (2.3 percent COLA)
- 210.2 million One-Time Base Increase to Student Centered Funding Formula (SCFF)
- 104.7 million Proposition 98 General Fund to fully fund SCFF
- 408.4 SCFF Deferral (Payment of Apportionment will be delayed to the following 3 FY's)
- 49.7 million of Prop 98 from Rainy Day Fund
- 25 million One-Time Funds Career Passport

Local Budget Highlights:

The 2025-26 Budget is built with no growth factor for an increase in FTES and with WESTEC generating between 90-100 FTES (as in FY 2024-25), which includes maintaining or increasing 2024-25 service levels campus-wide. The total General Fund budget represents \$54,375,180, of which \$36,811,775 is unrestricted funds and \$17,563,405 is restricted funds. The budget includes a contingency reserve of \$594,674 (1.62 percent) and funding of the total GASB 74/75 contribution of \$581,935.

Instruction: Our course offerings are designed to support increasing enrollments and help students complete their programs successfully through our strategic enrollment management efforts. Enrollment goals are shaped by our academic support and retention strategies, including Tutoring and Supplemental Instruction, Library, MESA program (Math Engineering Science Achievement), and Distance Education resources. Dual enrollment classes within our service district and outside our service area add to increased enrollments, both for high school students and for eligible returning adults. The college continues to collaborate with WESTEC to provide specialized courses with a career-technical focus.

Student Services: Budget allocations per the Compendium document came in with a \$163K decrease to categorical programs that support ongoing student success. The Student Equity and Achievement Program provides consistent funding to Basic Skills, SSSP and Equity, and continued funding exists for the Student Success Completion Grant. Budgets have been built conservatively while awaiting specific allocations in a number of areas and reflect fiscal responsibility. Many Student Services areas are built with specific program requests through the program review process. Community services and outreach will continue to collaborate with other support services to maximize outreach efforts to current and potential students and meet community needs.

Other support services, including Business Services, Human Resources, Information Technology, and Maintenance and Operations, are projected to operate at near FY 2024-25 levels, with minimal expenditures for travel, supplies, and student workers. Cost increases in salaries, health benefits, insurance, and necessary contracts contribute to the proposed cost increases.

Capital Projects: The 2024-25 fiscal year saw the close of the following projects: Marquee Sign Replacement, Allied Health Modular Modifications Phase 1, PG&E OBF Lighting Retrofit, Administration, ETEC, and TIL EMS Controls Replacement, Baseball and Softball Pitch Clocks, Student Center Auto Door Controllers Replacement, Administration and Library Auto Doors Installation, CDC Exterior Painting, CDC Flooring Replacement, G-1 Carpet Replacement, TIL Workstation Reconfiguration, and Cougar Dorms Residence Hall B Attic Water Line Replacement.

We expect to complete work on the following projects in 2025-26: Gym Concrete Repair, Cougar Dorms Mold Remediation, TIL Student Lounge Painting and Furnishing, WESTEC Roof Recoat (catwalks and wells), Softball Flag Pole, Dental Hygiene Signage, ASO Park Monument Sign, 108 Village WKAEN Instructional Renovation, and Old Student Center Demolition.

Deferred Maintenance and Instructional Equipment (Physical Plant and Instructional Support Block Grant): The 2024-25 fiscal year saw the closeout of multi-year PPIS funds totaling \$2,098,747. Capital projects completed using those funds include the following: Campus-wide Roof Re-coating, Access Control Replacement, Dental Flooring Replacement, CDC HVAC Replacement, Gym HVAC Replacement, CDC, Gym, and G Building HVAC controls replacement, Fire Alarm Repairs, WESTEC Roofing, Campus-wide Door Hardware Replacement, and the Marquee Sign Replacement. The 2025-26 budget does not include funding for Deferred Maintenance and Instructional Equipment.

State Mandate and Guidelines: The proposed budget exceeds the State unrestricted General Fund cash reserve guideline of 5 percent. The year-end 2025-26 unrestricted reserve fund balance is projected to be approximately \$15.2 million or 40.4 percent. Fiscal Year 2025-26 unrestricted expenditures are proposed to be \$37,025,072 with \$36,811,775 in revenues for a deficit budget of \$803,246.

Conclusion: The State Budget's level of investment in higher education reflects a continued commitment to affordability, more accessible institutions, higher quality programs, equitable outcomes, and more efficient degree pathways.

We have allocated funds from the State based upon the Student Centered Funding Formula (SCFF) and our other revenue streams. It is anticipated that we will have sufficient funding to meet all of our financial and academic obligations for FY 2025-26. The attached budget represents a responsible allocation of anticipated funds received.
