APPROVAL OF MINUTES

On a motion by Trustee Campos, seconded by Trustee Long and unanimously carried, the minutes of the Regular Meeting held May 10, 2017 and the Special Meeting held May 18, 2017 were approved.

NEW BUSINESS

Request for Approval – WKCCD 2017/18 Tentative Budget

Brock McMurray, Executive Vice President of Administrative Services, presented a PowerPoint with the highlights of the 2017/18 tentative budget (copy attached to official minutes). The community college system received $183.6 million in base allocation, with the expectation that it will assist colleges in meeting CalSTRS and CalPERS benefit costs. The cost of living allowance (COLA) is currently at 1.56% and will also be applied to categorical programs. There is $150 million Guided Pathways fund built into the 2017/18 state budget. This program is part of the focused approach toward supporting student success. Streamlining efforts in the college system is a focus in the 2017/18 state budget – three programs have now been combined: Student Success & Support Program, Student Equity, and the Basic Skills Initiative. The WKCCD budget reflects the state assumptions and also integrates with West Kern Adult Education Network, non-credit courses offering the GED and English as a Second Language. The WKCCD tentative budget is balanced. There remains concern over the rising CalSTRS and CalPERS costs.

On a motion by Secretary Cole, seconded by Trustee Long and unanimously carried, the WKCCD tentative budget for 2017/18 was approved (copy attached to official minutes).

On a motion by Secretary Cole, seconded by Trustee Orrin and unanimously carried, the Capital Outlay Plan was approved.

Mr. McMurray mentioned that, similar to the Capital Outlay Plan, it is recommended that the FPP be the same project as chosen last year. The current FPP only reflects the increased direct costs.
