PRESENTATION – Bond Study

Amanda Clifford, of Clifford Moss, reviewed the timeline and objectives necessary to place a bond measure on an election ballot. Currently, the District is in the election prep phase and would not begin a campaign phase until Board action has been taken. It is expected that the Board will see an official Resolution at the February regular Board meeting for consideration.

Courtney Jones, of Jones Hall Law Corporation, provided an overview of the needed items in a resolution for this type of election item. With a 55 percent voter approval, this resolution requires a chosen election date, bond amount, project list and necessary term and rate information to be transparent to local voters. The resolution and necessary ballot language will reinforce accountability with the required annual audit and citizen’s oversight process.

Ms. Clifford reiterated that the District can educate but not advocate. Employees are able to advocate on their own time and with non-district resources.

NEW BUSINESS
Request for Approval – Resolution 2017/18-07 – Notice of Layoff – Classified Employees – Reduction in Force Due to Lack of Funds and/or Lack of Work

Dr. Debra Daniels stated that this layoff of one employee is in connection with the District terminating the grant with which the employee is funded. College Dental Hygiene students can no longer serve the grant and the Kern County Superintendent of Schools will be taking the grant over. On a motion by Trustee White, seconded by Trustee Orrin and unanimously carried, the resolution was approved (copy attached to official minutes).
