

AP 4236 Advanced Placement Credit

Reference:

Education Code Section 79500

Any student who passes a College Board Advanced Placement (AP) examination with a minimum score of three in a subject matter will be awarded credit in a general education area with a subject matter similar to that of the AP examination.

AP credit can be used to meet IGETC, CSU GE and A.A. or A.S. general education (GE) and/or some major requirements in accordance with the established Taft College policies.

Students must have the College Board send AP exam transcripts to the Admissions Office (hand carried copies will not be accepted) to be considered for granting credit. Course credit and units granted at Taft College may differ from course credit and units granted by a transfer institution.

For any AP examination that the District does not offer a course similar in content, the District will award credit in the General Education area shown on the California Community College General Education AP List. If there is no General Education area that fits the AP Examination, the District may award elective credit.

The District shall post its Advanced Placement Credit procedure on its Internet Web site.
