February is Reclass Month

All requests and supporting documentation (listed below) need to be submitted to me by February 28, 2022.

Supporting Documentation:
- Obtain a copy of your job description from Tiffany Rowden in HR.
- Strikethrough any duties you no longer are doing.
- Add additional duties you are now doing that you feel are at a higher level of responsibility or technical skill which were not previously on the job description (Bold and Underlined).
- Estimate where your position should be placed on the salary schedule. (Based on the TC salary schedule and the new duties that are at a higher level of responsibility or technical skill)

Reclass continued

- Write a cover letter summarizing your reclassification request.
- Obtain and submit any letters of recommendation from peers, coworkers, supervisors or faculty. (optional)

Please ensure a review and discussion of your updated job description has taken place with your supervisor prior to submitting for a re-class. Your supervisor does not have to approve your request in order for you to submit it, but you must talk to your supervisor about re-class before you submit your request.

Submit your re-class packet to me before 2/28/2022.

BARGAINING REQUEST FORM ONLINE

For the past few months, the bargaining team has been developing a process to attain employee bargaining requests. This has been an area of concern for the membership for some time. We have come up with the following process: All requests will be reviewed by the classified bargaining team who will decide whether to take the request to TCCBC. You will be notified of the bargaining team’s decision.

The following criteria may be used to decide whether to take this request to the bargaining table or not:
1. How many employees will it impact?
2. How much money could it cost?
3. How will it impact employee morale?
4. How likely is it to be accepted by the administration?
5. Will it have any unintended consequences?

You may access the form by doing the following:
- www.taftcollege.edu
- Hover over term "About Us"
- Click on "Human Resources"
- In the sidebar menu on the right-hand side of page, click on "Classified Employee Information".
- In the sidebar menu on the right-hand side of page, click on "Forms".

A.C.E. SURVEY
