Viewing Assignment Comments & Setting Notifications

How do I see Comments left by a student on their Assignment or replying to my feedback on an Assignment? Plus setting up Notifications!

Here’s where you can view the comments:

1. Email Folder
   1. First Open your Inbox
   2. Click the down arrow next to Inbox and change it to Submission Comments
   3. All comments back from all of your classes will show here per assignment and student. (If you have a student comment on 3 assignments you will have 3 messages)
   *Click on each message to see all comments for that thread*

2. Grade Book
   1. Open the gradebook for your class
   2. Go to the student and assignment you would like to respond to and click into the box.
   3. Click on the Arrow to access the full comments box.

3. Speed Grader
   1. Open SpeedGrader for your assignment
   2. Go to the student you would like to comment/reply to
   3. Add in your text, file, video, or audio feedback to the student
   **Under Options you can also sort your SpeedGrader by student, date submitted, or by submission status**

Setting up your Notifications for Comments

1. Click on your Account, then go to Notifications.
2. Under Course Activities there will be an option for Submission Comment. This will notify you if there is a comment on any submitted assignment.

Choose the notification setting that is right for you
