Welcome to Offline! Read this letter before you fill out any of the Distance Ed Offline instructor forms.

*NOT Available due to Covid-19 Restrictions

- Offline Instructor Preferences Form: This form tells the DE office how to process your offline course materials.
  
- Offline Course Proctoring Form: Please fill this form out. If not, skip this step. This will be sent to the DE office for general reference.

- Individual Proctoring Exam Form: This will be filled out and attached for every proctored exam.
  
- Provide prepared exams and Individual Proctor Exam Form one week prior to the Exam due date.

Course Syllabus - Send in to DE Office ASAP*

Email this in to DESupport@TaftCollege.edu prior to the beginning of the semester (ASAP). You will also provide a copy to all students (+2) when you turn in your first week’s course materials.

*Semester planning is done off these syllabi. It helps DE Staff to have a copy before courses begin.

Offline Faculty Zoom Orientation

Keep an eye out for the announced time and date for the faculty zoom orientation. Meet with the DE Team to ask any questions you may have about teaching offline.

Communication Forms

- MCCF Correspondence Form: This form is used for general communication between faculty and Students.

- Assignment Feedback Form: This can be used to give feedback on multiples assignments and provide course grade updates.

  Fill-out and complete any areas that apply.

  - PDF: Handwrite on this printable version
  - DOCX: This Word doc is convenient, for updating, printing, and sending out cumulative GPA.

Important Dates

- Before the term begins:
  * Work through the Offline Faculty Check-List

- Submit - All Hyperlinked Preference forms on this toolbox.

- EACH Proctored Exam/s & The Individual Proctoring Exam Form needs to be submitted to the DE Office 1 week prior to the exam date.

- Submit Syllabus ASAP please:) The DE office prepares all Offline course procedures and schedules from the syllabi dates. Thank you so much for trying to get us your syllabus before the semester begins. We apologize for the short time frame.

Important Tips!

- When Dropping Off Course Work:
  (Suggestion) Sort Materials by week

  Example: Week 1 packet, week 2, etc...
  Student and staff work easily with materials in this format.

- Sort & Package your packets by student

  Example: Create packets for each student.

  Student packets contain:
  - Assignment sheet/s,
  - Power Point/s sheets—(Legible)
  - Feedback sheet/s

  Separate work by course

  Example: Label Courses

  ENGL -9 packets
  READ - 3 Packets
