**ACCJC Training – Thursday, January 30, 2020 at 2:00 p.m. with Gohar Momjian**

The ASTF will have the opportunity to decide on what type of training will take place. Gohar has made a few suggestions on what the topics may be:

- Public forum presentation (overview of ACCJC and process, approach to the peer review, tips on effective reports)
- Meeting with Cabinet and/or Accreditation steering committee, and/or Academic Senate to answer questions
- Round Robin with standards teams to answer questions related to their report sections specifically

The ASTF will forward any suggestions to Xiaohong. It was also suggested that the training be open to the campus community for a one hour open forum/overview of the process. Xiaohong will send out the report template to the subcommittee Chairs.

**Next Meeting**
The next meeting of the ASTF is TBD.

Respectfully submitted by Brandy Young, ASTF Secretary
