

Petition for Credit Based on Military Education and Training

Name: _____

Student ID: _____

Part A: Military Service Credit (8 maximum)

The maximum military service credit allowed is eight semester units, four for having completed basic training and two for each of the first two years of service. This will also meet the Health Education course requirement. Copy of DD214 must be attached.

Total Part A:	

Part B: Military Education Credit (12 maximum)

Credit is also granted for educational work completed in various service schools in accordance with the recommendations of the American Council on Education. This credit will be applied to help meet the requirements for graduation from Taft College, but it is subject to acceptance by any other college to which the student transfers. Copies of transcripts must be attached.
