Other Community Support Programs

WIC

The Women, Infants, and Children Program, also known as WIC, is a nutrition education program. WIC helps pregnant women, women who just had a baby, and children up to age 5 eat well, be active, and stay healthy. WIC welcomes dads, grandparents, foster parents, or guardians who care for eligible children. WIC services are provided at no cost to you.

Child Development Program

Head Start is a comprehensive child development program for low-income families and children with disabilities. We are focused on supporting all areas of development and working with families every step of the way to ensure children are ready to enter kindergarten.
